Myntra Swap and Style

Welcome to Myntra Swap and Style, an innovative platform designed to revolutionize the way users engage with fashion through sustainable practice and creative challenges.

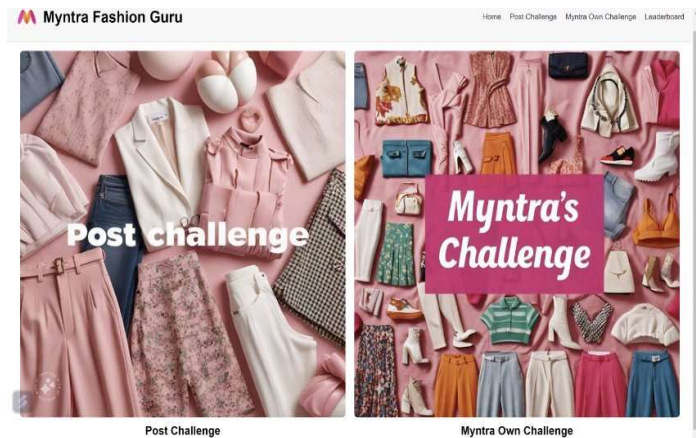

PRODUCTS

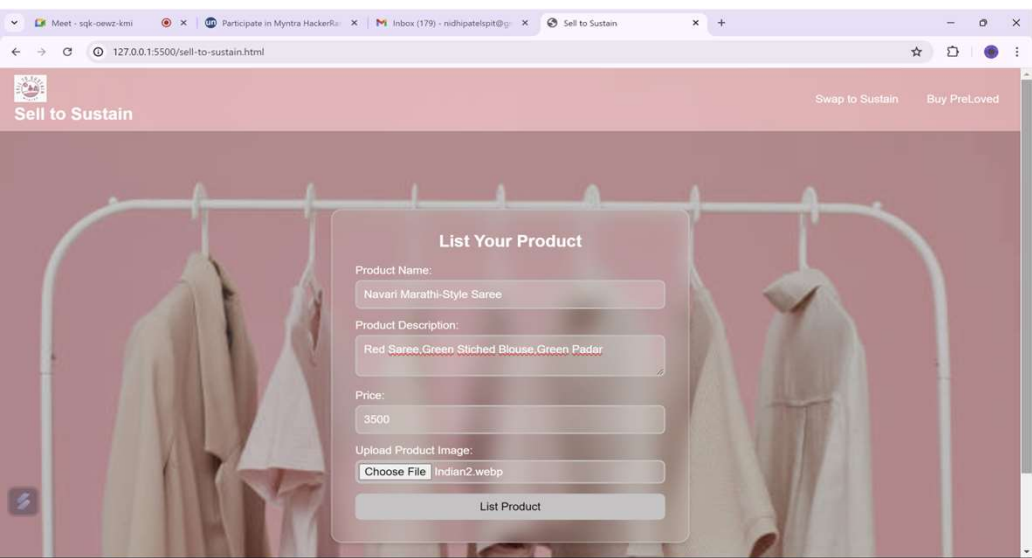

You can buy or sell preloved products here

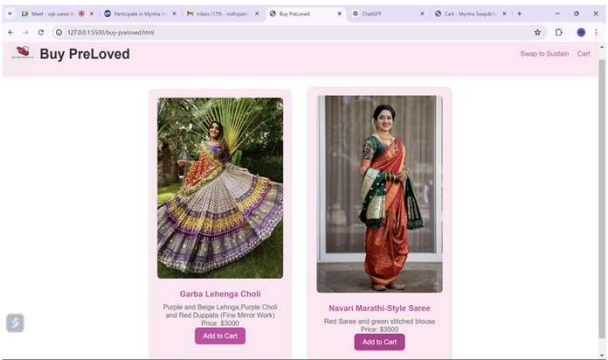

You can post a challenge or participate in Myntra's Challenges to suggest a pair for your complicated apparels

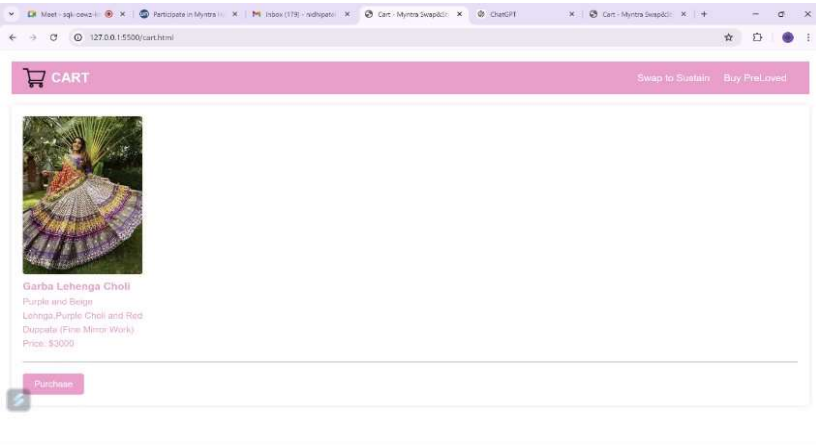

•Users can list products with details like name, description, image, and price.

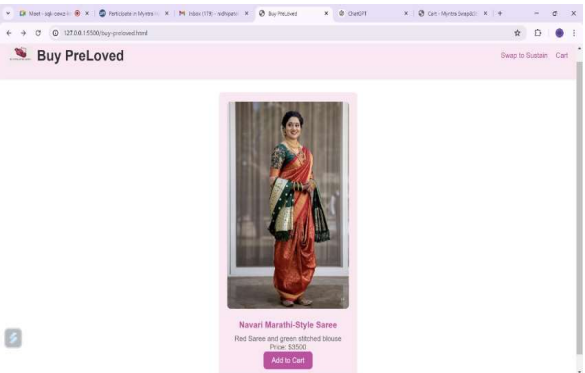

•Listed items are displayed in Buy PreLoved for other users to purchase.

Items will be added to cart

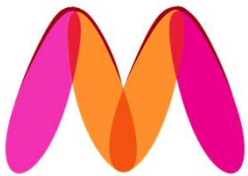

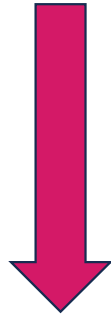

Items in buy Preloved after purchasing

Post Challenge

- Users can post challenging outfits.
- Each post includes a name, description, and image.

- Users can comment with Myntra URLs and upvote comments.
- A leaderboard section dynamically shows the most upvoted comments.

3. Will go with yellow dress - Upvotes: 1

Future Scope:

- 1. Secure Messaging System:** Integrate a secure chat system for users to communicate and coordinate clothing swaps.
- 2. "Rental Option":** Explore the possibility of rental service for high-end outfits for eg. Indian outfits for special occasions (wedding lehengas, sherwanis).
- 3. Upvotes and Rewards:** Get points for upvotes and earn bonus points if someone buys a product directly from their suggested pairing (tracked via the link).
